

CITY OF LOS ANGELES SIDEWALK VENDING RULES

Ensuring Your Safety and Success

1. KEEP IT CLEAN.

PICK UP TRASH AND RECYCLE

Food vending carts must have trash containers to hold all waste. Vendors must pick up trash within 50 feet of your cart. Separate recyclable materials and dispose following City of LA recycling policies

2. KEEP THE SIDEWALK OPEN FOR PEDESTRIANS AND OTHER USES

DON'T BLOCK PEDESTRIANS AND VEHICLES

Vendor must maintain at least a 5 feet width passage on any walkway and sidewalk. Vending carts can't protrude onto the street or create a safety hazard. No person shall place vending cart in areas used for public utility purposes, public transportation or other governmental use.

Carts not allowed near any residence, business, poles, posts, driveways, traffic signs or signals, hydrants, mailboxes. Vendors must ensure customers are not blocking sidewalk, street, avenue, alley or other public place.

3. KEEP PRODUCE BAGGED

PROTECT FROM BUGS AND VERMIN, FOLLOW STATE LAWS ON PRODUCE

All produce regulated by the California Department of Food and Agriculture (CDFA) shall be handled, transported, displayed or disposed of in accordance with all California laws.

- All produce under quarantine by CDFA must be bagged to prevent infestation; open display is prohibited.
- All produce, discarded husks, cores, rinds, or pits shall be sealed in plastic bags before disposing.
- Food vendor shall have a receipt, invoice, bill of lading as proof of origin of all produce under quarantine.
- All produce or commodities under quarantine that are sold, or transported must be of commercial origin.
- Any violation of this section may result in the seizure of produce

4. KEEP ALL YOUR PERMITS UP TO DATE

All sidewalk vendors must possess all applicable business, tax and health permits required by the State, County, and/or City.
